# CAMP DANBEE THE BEELINE

## A Letter from the Directors

Hello Danbee Families,

As we move into the tail end of the fall season, we hope our campers enjoyed their first few months back at school. We had a fantastic summer! When we look back at some of the highlights from 2017 we truly feel it was our best summer yet! Danbee girls grow in many different ways throughout the summer.

Camp provides girls the opportunity to be their best selves, as well as the chance to develop and excel in areas of interest. Whether a camper chooses to focus her time on athletics (maybe it's on the balance beam or on the tennis court), takes a risk getting up on stage for the first time, or works on her interpersonal skills, she leaves with a sense of pride when these skills are achieved. We love celebrating these wins, and we hope our girls will continue to use these skills throughout the school year.

In looking ahead to summer 2018, we are proud to share that we have had our strongest enrollment period yet! We can't wait to be back at our summer home in a few short months. We will continue to keep you updated throughout the coming year with Danbee happenings. We are busy planning away for what we know will be an epic 2018 camp season!

See you soon, *Jay Mark Lauren Courtney*

## STICKER MULE!!!

Danbee girls! Show off your pride with our custom Danbee Sticker Mule. Stick it on your laptop, phone case, iPad, or any other place you want to show your pride!

## DANBEE PRIDE

## A Note from Lauren...

The past two months have flown by and I couldn't feel any prouder to have joined the Danbee Family. I've had the opportunity to meet and speak with some of you and I want to thank you for greeting me with open arms and big smiles. For those of you that I haven't had the pleasure of speaking to, I look forward to catching up with you over the year. In the meantime, you can find me at our winter office continuing to learn all about what makes Danbee so special! I would love to hear from you, so send me an email at lauren@campdanbee.com.

# DANBEE GIRLS GIVE BACK

At Danbee, our girls love to give back and they understand the impact it can have on those they help. At camp the girls made blankets for the local homeless shelter, knit hats for newborn babies at Berkshire Medical Center and made signs to welcome Seastars campers. So it's no surprise when presented with an opportunity to extend their giving outside of camp, Danbee girls rise to the occasion. A perfect example of this was at our mini reunion and walk-a-thon for Sunrise Day Camp on October 15th. We had the chance to catch up with many of you and loved seeing you support such a wonderful cause. Over \$3,500 was raised to help this cause and we couldn't be any prouder.

# A DANBEE WBY TIP

## Danbee asked Avery Dermer WBY '18...

**What is one piece of advice you would offer to a new camper that will be attending Danbee this summer?**

*Always take the leap. Camp is all about trying new things and going outside of your typical comfort zone. Whether it be talking to a girl you've never talked to, or going down the slide you've always feared, go for it! The feeling when you finally do will be unforgettable!*

# OUR BROTHER CAMPS ROCK!

## Community. Action. Power

Located in beautiful Lenox, Massachusetts, Camp Mah-Kee-Nac offers the finest tradition in all-boys overnight camping. The spirit of Camp Mah-Kee-Nac lies in the commitment to our community. Campers and staff feel supported, challenged, and encouraged to participate in an action-packed day of sports, outdoor adventure, waterfront, media and the arts. Through these activities and our elective-based program, campers build confidence by experiencing success. Our boys discover the power of their true selves and the individual role they play as part of the greater community.

## Building Character, Making Memories

Camp Winadu, a traditional all boys camp, has been building character, teaching sports and celebrating summer camp traditions in the Berkshire Mountains since 1927. Every summer brings new Winadu adventures, but a couple things always remain the same – time flies and camp friends become family. Winadu focuses on sports, outdoor pursuits and arts & music while boys thrive, gain confidence and make life long friends.

## Have You Seen This #hashtag? #

As part of our commitment to empowering our girls you may have seen our use of the hashtag "#banbossy" on social media. For those that don't know, this campaign was started back in 2014 by the leanin.org and is endorsed by Facebook COO Sheryl Sandberg and by Girl Scouts USA. Whether or not you believe the use of the word "bossy" has a negative undertone when describing a girl we feel it is something to think about and a good conversation to keep going. You can find more information on this campaign at [banbossy.com](http://banbossy.com)
