## DEAR DANBEE FAMILIES,

The Danbee Team is deep into our planning for Summer 2023, but as the weather gets chillier, we can't help but reflect on last summer. The Danbee spirit was palpable from the moment our girls got off the buses! We were so grateful to be back together for a summer filled with friends, fun, trips, socials, and of course our unforgettable special events!

Looking forward, we can't wait to have our returning campers back home and welcome our new campers to the Danbee family in 2023. In particular, we look forward to our returning campers and staff teaching our new campers all about the Danbee Traditions that make our summer home such a special place. The mess hall dancing, leagues days, our WBV as toilet paper mummies, socials with our brother camps, lake parties, friendship circles, Halloween and carnival, campfires, wish boats, and Banquet! The list could go on and on.

Every summer at camp is a little different – campers grow so much throughout the school year, new campers and staff join us, and special events and trips are added to our program. This summer, we're excited to add some new program options for our campers to enjoy with their friends – check out page 3 for more details!

As we countdown the days until we're all together again on Lake Ashmere, remember to bring the Danbee Spirit home with you! Treat others with kindness, lift each other up and strive to be your best selves, and do lots of dancing after each meal!

We can't wait to see you in a few short months for another summer filled with friendship, memories, trying new things, and a LOT of Danbee Spirit!

Campfully,  
Annie, Zach, Mark, Lauren and Jay

## Italian Tomato Soup

### Ingredients:

- 500-700 grams cherry tomatoes
- 1 head of garlic (cut into 2)
- 1 yellow onion (roughly chopped)
- olive oil
- fresh thyme and basil
- salt and pepper
- 1/2 cup heavy cream  
(substitute vegan cream for dairy free)
- 1/2 to 2/3 cup vegetable stock (depending on the consistency you want)

### Method:

1. Preheat the oven at 480°F.
2. Drizzle some oil onto a baking pan, add in the yellow onion, head of garlic (cut side down), fresh basil and thyme, cherry tomatoes, more olive oil on top, a sprinkle of salt and pepper. Bake everything until the tomatoes are slightly charred for 25 to 35 minutes.
3. Add the cream, vegetable stock, and all the baked ingredients, besides the thyme, in a blender and blend everything until smooth, for 3-5 minutes. Serve with a piece of toast or a grilled cheese sandwich. Garnish with pesto, more cream, and fresh basil.
